AUDITOR'S REPORT

This is to certify that I have examined the books of the Town of Roxbury for the year ending December 31, 1977.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Road Agent, Selectmen and Trustee of Trust Funds (including an examination of the securities). I find that the books and records of the town reflect its true financial condition as of December 31, 1977 to the best of my knowledge and belief.

I find that the Town Clerk, Town Treasurer, Tax Collector, Trustee of Trust Funds, Road Agent and Constable are bonded by surety companies as required by law. Uncollected taxes reported by the Tax Collector have been verified by written notice.

I would like to thank the town officers for their cooperation and assistance during the period of the audit.

Respectfully submitted,

Oliver F. Derby
Town Auditor

REPORT OF THE BOARD OF ADJUSTMENT

The Davenport case, wherein the Selectmen had ordered the removal of a cabin built near the Apple Hill Farm, was resolved by virtue of the Davenports moving their cabin from land located in Roxbury.

A public hearing was held on March 15, 1977, at the request of Mr. Donald Major, for a special exception to build a three bedroom, permanent dwelling on a lot not having the required frontage on a public street. The Selectmen, on February 2, 1977, had denied a building permit request based on Article V, Section B, Item 3 of the 1972 Zoning Ordinances. The Board of Adjustment voted unaminously to deny Mr. Major's request for special exception and expressed the opinion that it was not within the Board's power to grant exceptions to existing Town ordinances.

Presently, pending before the Board of Adjustment is a request by Mr. Donald Major for a special exception to allow a "hunting camp", erected without a building permit, to remain standing in its' present location. The Selectmen had ordered this building removed by June 20, 1977, for violation of Article VII, Item C, 1972 Zoning Ordinances.

Current members of the Town of Roxbury Board of Adjustment are:

Mr. William A. Hamill, Chairman
Mrs. Irene Benson
Mrs. Inez Pyne
Mrs. Mac Beck
Mr. Sibley Darling

Respectfully submitted,

William A. Hamill,Chmn.

LOCAL BUILDING AND DEVELOPMENT REGULATIONS

During the past few years, local building and land development activities have increased substantially. The Planning Board is sending you this letter to help keep you up-to-date on the regulations the town has adopted over the years, to provide for safe and orderly construction of buildings and development of land.

Building Regulations: Permits for the construction of new buildings or alterations of existing buildings must be obtained from the selectmen prior to the start of construction. Applications for a building permit must be accompanied by a sketch or plan of the proposed building. Building permits are void unless construction is started within six months from date of approval. The building regulations contain specific construction requirements for commercial buildings, exits in public buildings, garages, roofing material, fire stops, chimney construction, electrical wiring, foundations, outside walls and sewage disposal. Persons violating these statutes are subject to a fine.

There is a fee for obtaining a building permit; $5 for additions or alterations, $10 for new construction.

Trailer and Mobile Home Ordinance: No trailer or mobile home shall be installed within (a) 300 feet of any public street, (b) within 30 feet of the front, side, or rear property line or (c) within 50 feet of any other residence, trailer, or mobile home. A building permit is required for placing trailers or mobile homes in the town.

Subdivision Regulations: Approval of the proposed subdivision must be obtained from the planning board before the sale of any lots can legally occur. The subdivision regulations describe the type of written plans and information which must be submitted to the planning board for review. The planning board must hold a public hearing on all proposed subdivisions and must notify the abuttors to the property proposed subdivision.

Roxbury Zoning Ordinance - Residential: The minimum lot size in the residential district is 1½ acres. The lot must have 175 feet of frontage on a town-maintained road and be at least 200 feet deep. No house or building can be closer than 35 feet from the edge of the right-of-way or 20 feet from the side and rear property lines.

Rural Residential and Agricultural District: The lot must have at least 200 feet of frontage on a town-maintained road. The building set-back requirements are the same as in the residential area; 35 feet from the edge

of the right-of-way and 20 feet from other property lines.

It is unlawful to change the nature and extent of the use of any structure or lot, or to erect any structure, or to relocate any building in either district without first obtaining a permit from the selectmen.

No permit for remodeling or repairing is required, provided the use of the building is not altered or the building is not enlarged. Certain variances or special exceptions may be issued by the Board of Adjustment.

Please contact the Selectmen, Planning Board, or Town Clerk if you would like to review a copy of any of the regulations listed above. Roxbury's regulations are not unreasonable and are intended to protect your long-term interests in the town. Your help in complying with the existing regulations and in identifying any potential problems in Roxbury is most appreciated.

Thank You.
